		(Shelly Ripple, Tara Kirk, Misty Hyman, Siobhan Cropper)		

p = prelims

r = first leg of relay

U.S. Open records are the fastest times swum in a pool in the 50 United States. Until Dec. 31, 1985, the fastest American time swum anywhere was included in this definition. U.S. Open record set outside of the USA will continue to stand until they are broken inside U.S. boundaries.
